News Alert - May 2011

New JA-100 Jablotron Alarm System at IFSEC Exhibition, Birmingham, UK

Come to our stand at IFSEC to be the first to see **Jablotron's great new JA-100 alarm system**. The 2011 **IFSEC** International Security Exhibition will take place **16th to 19th May 2011** at the **NEC, Birmingham, UK**. We invite you to visit our **stand (E5 in Hall 3)** to see our new and existing products and talk to our friendly staff.

The New EYE-02 3G Security Camera

From **mid-May** the **new EYE-02 3G** will appear in our product range, offering all the popular features of the EYE-02, plus **a much faster data rate** greatly **speeding up remote access to video frames**. Other enhancements include **non-command SMS forwarding**, and an adjustable **sound threshold for the sound monitor** which causes an alarm if the acoustic level is exceeded.

Ask our Export Dept for details of cost and delivery.
